

NOTIFICATION AND ACKNOWLEDGEMENT

U.S. Department of Housing and Urban Development (HUD) rules state that a household cannot receive subsidy on more than one unit at one time. Therefore, if you are currently moving from a subsidized unit to this facility, you need to notify us and to agree to pay market rent for those days you remain on subsidy at the previous facility.

I acknowledge and agree that I will only receive subsidy on one household at a time, will notify Summer Run if I am receiving subsidy elsewhere, and will pay market rent for any days that I receive subsidy on the other contract.

Are you currently receiving subsidy at your current facility? Yes No
